AH-
CHOO-!!

Ugh...

Human bodies are so fragile. It's not even that cold.

Achoo!!

OOO~ COLD~

Definitely tiger ears.

The tail that shakes elegantly,

White hair comparable to the moonlight,

Between it, stains of black

hair like a tiger's stripes.

Coyly hidden,

yet a lacking chest —— NO, I MEAN ——

WHY ARE YOU NAKED?!!

?

Excuse me, one nudist please.

What's with the new reaction?

I wasn't wearing anything before either.

WHAT?

What do you think you're doing?

Anyway, wear my T-shirt or something-!

W, wwwhere are your clothes?

Clothes?

Why should I wear these cumbersome things?

Why did you make me wear these?

Humans' sexual nature would prefer some covering over being completely naked

HEY! DON'T SAY SUCH STRANGE THINGS!

?

THAT'S WRONG-!

Hmm~ If that's his preference,

it must be my duty as a wife to accept it.

Anyhow, now that I took the form of a human, is this more acceptable?

Let me ask you something

Why me? You're pretty.

If you grew a bit more you could get any kind of man...

ME? PRETTY?

THAT'S THE FIRST TIME I'VE BEEN CALLED THAT-!!

You might not remember.

When you were an infant, you came to see me once to awaken your spiritual eyes.

Are you trying to embarrass me to death?

You gonna answer yet?

Unlike other babies who were struck with fear and started bawling, you smiled at me and slept within my embrace.

That same child regally stands before me.

In this area where my powers are growing, other humans can't be as regal as you.

EEH?

The marriage was also permitted during the ritual.

It is the truth young master.

The only exception was your mother.

Mom, just what-!!

The partner that I've been waiting for.

This child was worthy of being my husband.

Back then, I felt the gears of fate moving.

I,

fell in love at first sight.

B, but ...

I've only seen you for the first time today.

Talking about marriage all of a sudden, isn't that too fast?

She is cute, but the one I like is Na Rae.

Do not worry, speaking in human terms I'm already a fiance accepted by your family!

Like I said the era is different so that doesn't work!

And top of that I don't want to marry you!

It's not that, I just don't want to marry you.

Is... that so.

Do... you hate me?

I'm sure a better man will come for you. Don't be too depressed.

A 17-year old and a phantom marrying,

I'll somehow convince her and run away to Seoul.

That won't happen.

Since I've been rejected by you, I'll close the matters on love.

If my fated partner isn't you, nobody will be able to accept me.

If that's the case, I'll just wait for my seal to break.

I will burn this land down.

If the seal breaks, what are you going to do?

Wait, you don't have to....

I will drop the sun and devour the moon.

I will demonstrate the end of mankind.

With the rest of my kind,

the beings called humans will be captured and killed.

You...

Sae Hee,

Yes master,

I wish to be alone. I'll leave the rest to you.

The man I tried to take as my partner,

I do not wish to dirty my hands with his blood

As for you, it would be wiser to leave this land.

Understood

Let us go young master

The fact that phantoms exist.

the fact that a phantom could get hurt by my words,

and the fact that my decision could result in a human genocide makes no sense!

And most of all

And in a few years this country is going to be destroyed?

That makes no sense

There are too many parts that doesn t make sense !

Telling me to go now?

She doesn't want to kill me, so run overseas?

MY ACTIONS RIGHT NOW ——

Huh?

Hey, don't you know that its rude to interrupt when a person speaks?

Th, this isn't what it looks like!

I, I'M NOT CRYING!

I definitely can't marry a girl I don't even like.

Even if you're my fiance, I can't do what I can't.

Even so, you think you can go alone after listening to those words?

That's why!!

You think I can leave you alone when I'm this scared?

Let's go together.

Why don't we start with introductions? My name is Sung Hoon.

Kang Sung Hoon. What's your name?

R, really?

Does that mean you'd be my husband and love me?

That talk can come after we understand each other, a talk only possible after we start loving each other.

So after Baduk, its Ho Rang Ii.....

My name is Ho Rang Ii.

Huh?

Ho Rang Ii = tiger in korean.

I, I do have a seperate name given to me by the heavens!

But I can only tell you that name when you're prepared to take responsibility!

Our names are that special!

Ho Rang Ii..

Or would you like to hear my name right now?

I'll deny with all my might.

Then shall we go?
'Rang Ii ,?

Yes!

I AM NOT!!

I'm so relieved that the young master is a lolicon.
